This event is sponsored by the San Bernardino County Music Educators' Association and the San Bernardino County Superintendent of Schools. You are invited to bring your 4th -6th grade choral performing group(s) to participate. It is a wonderful opportunity for elementary choral students to perform, listen to other choirs, and have an inspiring interaction with a professional clinician. As your group performs, the clinician will write comments and then work with the students.

Two sessions are planned. Please indicate your preference for morning or afternoon session on the application form. Performance times will be granted on a first-come, first-served basis, so be sure to get your application in as soon as possible. The application form is included with this announcement.

THE APPLICATION DEADLINE IS MONDAY, December 7, 2009.

General Information:

1. Each group will be scheduled for approximately twenty minutes. This should include entering and leaving the stage, performance (not to exceed three numbers), and clinician interaction.
2. Directors should provide the clinician with a manila envelope containing a copy of the music to be performed. A piano will be provided. If you use recorded accompaniment, it will be hooked up to the in-house sound system.
4. **IMPORTANT:** Please review the attached copy of the Choral Clinic Standards.
5. You will receive confirmation of your performance time by email. Please feel free to call me if you have special concerns. We will try to accommodate everyone's needs as well as we can.
6. Remember to check District Testing dates, minimum days and order your bus.
